Kindly refer to the proceedings of the General Committee of the United Nations General Assembly held on Friday the 24th November 1950 at which it was resolved that the consideration of El Salvador's complaint against 'invasion of Tibet by foreign forces should be adjourned in order to give the parties the opportunity to arrive, at a peaceful settlement It is with the deepest regret that I am informing you that the act of aggression has been substantially extended with the result that practically the whole of Tibet is under the occupation of the Chinese Forces. I and my Government have made several appeals for the peaceful and friendly settlement, but so far these appeals, have been completely ignored. In these circumstances and in view of the inhuman treatment and crimes against humanity and religion to which the people of Tibet are being subjected, I solicit immediate intervention of the United Nations and consideration by the General Committee on its own initiative of the Tibetan issue which had been adjourned. In this connection I and my Government wish to emphasize that Tibet was a sovereign state at the time when her territorial integrity was violated by the Chinese armies in 1950. In support of this contention the Government of Tibet urge the following:

First, no power of authority was exercised by the Government of China in or over Tibet since the Declaration of Independence by the 13th Dalai Lama in 1912.

Second, the sovereign status of Tibet during the period finds conclusive evidence in the fact that the Government of Tibet concluded as many as five international agreements immediately before and during these years.

Third, the Government of Tibet take their stand on the Anglo-Tibet Convention of 1914 which recognized the sovereign status of Tibet and
accorded the same position to the Tibetan plenipotentiary as was given to
the representatives of Great Britain and China. It is true that this convention
imposed certain restrictions on the external sovereignty of Tibet, but these
did not deprive her of her internal position. Moreover, these restrictions
ceased to have any effect on the transfer of power in India.
Fourth, there is no valid and subsisting international agreement under which
Tibet or any other power recognized Chinese suzerainty.
Fifth, the sovereign status of Tibet is equally evident from the fact that
during the Second World War Tibet insisted on maintaining her neutrality
and only allowed the transport of nonmilitary goods from India to China
through Tibet. This position was accepted by the Governments of Great
Britain and China.
Sixth, the sovereign status has also been recognized by other powers. In
1948 when the Trade Delegation from the Government of Tibet visited India,
France, Italy, the United Kingdom and the United States of America, the
passport issued by the Tibetan Government was accepted by the
Governments of these countries. Your Excellency, I and my Government also
solicit immediate intervention of the United Nations on humanitarian
grounds. Since their violation of the territorial integrity of Tibet the Chines
forces have committed the following offences against the universally
accepted laws of conduct.
First, they have dispossessed thousands of Tibetans of their properties and
deprived them of every source of livelihood and thus driven them to death
and desperation.
Second, men, women and children have been pressed into labour gangs and
made to work on military constructions without payment or on nominal
payment.
Third, they have adopted cruel and inhuman measures for the purpose of sterilizing men and women with a view to the total extermination of the Tibetan race.
Fourth, thousands of innocent people of Tibet have been brutally massacred.
Fifth, there have been many cases of murder of leading citizens of Tibet without any cause or justification.
Sixth, every attempt has been made to destroy our religion and culture. Thousands of monasteries have been razed to the ground and sacred images and articles of religion completely destroyed. Life and property are no longer safe and Lhasa, the capital of the State, is now a dead city. The sufferings which my people are undergoing are beyond description and it is imperatively necessary that this wanton and ruthless murder of my people should be immediately brought to an end. It is in these circumstances that I appeal to you and the United Nations in the confident hope that our appeal will receive the consideration it deserves.
